We intend to send a weekly update every Friday highlighting the week and sharing upcoming events. We will also highlight students and classrooms.

It has been a great opening to a new school year! We greatly appreciate the patience and support as we worked through the beginning of the year. We will continue to monitor and adjust car rider dismissal, as we need to.

We are anxiously awaiting the arrival of the 6th grade chromebooks. The technology department is currently working on assigning each device and readying it for distribution. We are hopeful this will occur in the next two weeks.

We invite parents to join us monthly at Parent Forum. The first one is October 4 at 9am. Parent Forum is an opportunity to hear about what is happening at IC, discuss upcoming events, make suggestions, and learn how to stay involved in your child's middle school experience.

Crest Community Challenge

We are excited for our 4th Annual Crest Community Challenge, also known as C3, which will take place Wednesday, October 3. The goal of the project is to raise money by means of sponsors and pledges with students participating in an obstacle course challenge in addition to volunteering throughout the community. The money raised will be used to help provide assistance to the underprivileged residents within the townships and boroughs surrounding Indian Crest Middle School.

This is a great opportunity to volunteer. We need parents throughout the course of the day to help with community service, monitor the obstacle course, distribute water, take pictures, and several other activities.

A detailed email will be sent out next week regarding our C3 event.
