Upcoming Events...

Winter Concert Series

Please join us for our Winter Concert Series (dates listed above)! All concerts will take place at the high school auditorium this year. Our choir, band, and orchestra always put on an outstanding performance showcasing their hard work from the first half of the year!

The Giving Tree

Indian Crest's Giving Tree is in the main office and ready for the holiday season.

Our Giving Tree Program helps many students and their families get some much needed help during the holiday season to purchase gifts, a meal to celebrate and to gather essentials i.e. gas, toiletries and hats/gloves.

During this time, families are welcome to take a leaf with a gift card idea listed, purchase the gift card in the amount of your choosing and return it to the Main Office by December 19.

We thank you in advance for your generosity in helping Indian Crest families during the Giving Season.
