

Souderton Area School District
SUMMER READING 8TH TO 9TH Grade
(for the summer of 2009)

All future freshmen are required to read at least two books this summer. Book choice decisions may be made between student and parent. When students attend school in the fall, they will be required to supply the titles and authors of the summer books they have read and during the first week of school must be prepared to make a written response to those books.
